# PANTHER PAVILION PROJECT

A fundraising campaign  
to establish a permanent  
tribute honoring the site of the  
Gladbrook Community School

All orders must be received by  
September 1, 2024

We are happy to announce a fundraising campaign for what we're calling the Panther Pavilion Project. The pavilion is to recognize the long standing Gladbrook Community School site. A pavilion will be constructed on the south side of the city park, north of the flagpole. A cement pad

will be laid to house a pavilion, a couple of benches, some sort of encasements to display engraved bricks, and a memorial made from bricks of the old gym wing of the school. Hopefully, the start of construction will be this summer and be completed the following year.

You have the opportunity to purchase bricks which will be engraved and incorporated into the design. There are two sizes of bricks to choose from. The bricks will be a standard brick red color engraved in black text. Engraving is included in the cost of each brick.

Single brick: 4 x 8" size engraved with text up to 3 lines and 20 characters per each line which includes spaces.

Double brick: 8 x 8" size engraved with text up to 5 lines and 20 characters per each line which includes spaces.

A graphic may be added to each brick for an additional fee. The order form has a few basic options to choose from. If you have a graphic (business logo, hobby, etc.) you would like to include on your brick, we will try to get that on for you. The graphic must be a JPG, PNG, or PDF and emailed to Terri Luehring at [luehring@mchsi.com](mailto:luehring@mchsi.com).

The cost of bricks: Single brick: \$100 (includes engraving) Double brick: \$200

Adding a graphic: \$50

To order your brick(s), complete the order form indicating: full name  
contact information  
the size of brick  
text to be engraved  
graphic (optional)

If you are interested in donating (with or without purchasing a brick) to the Panther Pavilion Project, complete the order form and indicate "Donation" and amount.

Mail completed order form & payment to (and, if applicable, send graphic file to Terri)
